ABIODUN OLATUNJI

FRONT-END WEB DEVELOPER

PROFESSIONAL SUMMARY

Motivated web developer with strong expertise in React, Next.js, and TypeScript, complemented by disciplined leadership and teamwork skills gained from service in the U.S. Army Reserve. Experienced in building responsive, user-focused web applications and adapting quickly to new technologies and challenges. Proven ability to work under pressure, meet deadlines, and collaborate effectively with cross-functional teams. Committed to continuous learning and leveraging military experience to bring a strong work ethic, problem-solving mindset, and attention to detail to every project.

EXPERIENCE

Combat Engineer
April 2025 - Present | U.S MILITARY | USAR, Spartanburg, SC

- Constructed and maintained defensive structures, such as bunkers and trenches, utilizing heavy equipment.
- Planned demolition operations to destroy bridges or buildings in support of combat objectives.
- Disarmed explosive devices with specialized tools under hazardous conditions.
- Leveraged mine detectors or used visual means to locate mines.
- Conducted reconnaissance missions to identify enemy positions and potential threats.
- Cleared minefields using specialized tools and techniques.
- Organized materials needed for engineering projects.
- Cross-trained with international allies to maximize combat engineering skills.
- Performed maintenance on weapons systems, vehicles, and other military equipment.

Web Developer
October 2023 - November 2024 | ForeMedia Group, Lagos, Nigeria

- Developed custom websites to meet individual client needs.
- Created clean, well-documented custom code and updates.
- Performed cross-browser testing to ensure compatibility across multiple platforms and devices.

- Charlotte, NC 28269

SKILLS

- Leadership
- Front-end development
- Front-end frameworks
- API integration
- RESTful apis
- Responsive design
- Object-oriented programming
- Website optimization
- Javascript
- Mobile-first design
- Software development
- CSS
- Performance optimization
- Situational awareness
- First aid proficiency
- Heavy equipment operation
- Physical fitness
- GPS navigation
- Roadway construction
- Weapons handling
- Breaching techniques
- Tactical communications
- Demolitions expertise
- Infantry combat

- Implemented responsive design principles to ensure mobile compatibility of websites.
- Collaborated with designers to create user friendly interfaces for websites.
- Debugged websites to identify and resolve potential problems.
- Utilized APIs to provide data to web applications.
- Maintained updated knowledge of industry techniques and technologies related to digital communication.
- Developed and maintained web applications using HTML, CSS, JavaScript, and jQuery.

Web Developer Intern
July 2022 - April 2023 | Larva Coding Academy, Ibadan, Nigeria

- Developed and maintained web applications using HTML, CSS, JavaScript, and React.
- Built responsive websites utilizing best practices in UI and UX design principles.
- Designed webpages in accordance with products and services.
- Analyzed Project Requirements: Assisted students in interpreting user and project requirements to ensure their code aligned with overall objectives.
- Encouraged Innovation: Reviewed and provided feedback on students' proposed feature improvements, fostering creativity and practical problem-solving in application development.

Web Developer
December 2019 - February 2022 | Access Bank Plc, Saki, Nigeria

- Performed cross-browser testing to ensure compatibility across multiple platforms and devices.
- Collaborated with designers to create user friendly interfaces for websites.
- Debugged websites to identify and resolve potential problems.
- Maintained updated knowledge of industry techniques and technologies related to digital communication.
- Enforced website standards for visual and design integrity.
- Maintained well-organized digital filing system and backups to reduce data loss.

Web Developer
December 2018 - November 2019 | Zero Degree And Solutions, Ibadan, Nigeria

- Performed cross-browser testing to ensure compatibility across multiple platforms and devices.
- Leveraged mastery of HTML, CSS, and JavaScript to build top-quality code for diverse projects.
- Maintained databases such as MySQL or MongoDB for storing dynamic data used by websites.
- Implemented responsive design principles to ensure mobile compatibility of websites.
- Developed secure and reliable web-based solutions to meet customer requirements.

- Counter-iED measures
- Mine detections
- Building obstacles
- Survival skills
- Explosives detonation
- Mine detection
- Combat mobility participation
- Basic combat construction
- Engineering reconnaissance reporting
- Combat marksmanship
- Breaching
- Bridging
- Minesweeping

LANGUAGES

- **Yoruba**
  Native
- **English**
  Bilingual

- Collaborated with designers to create user friendly interfaces for websites.
- Debugged websites to identify and resolve potential problems.
- Maintained well-organized digital filing system and backups to reduce data loss.
- Applied skills in network diagnostics and troubleshooting to promptly resolve issues.

Web Developer
August 2017 - December 2018 | Wema Bank Plc, Ibadan, Nigeria

- Debugged websites to identify and resolve potential problems.
- Ensured maximum uptime of websites by monitoring server health regularly.
- Wrote supporting code for web applications and websites.

EDUCATION

Diploma in Combat Engineer
July 2025
United State Army Engineer School, Missouri

Bachelor of Science (B.S.)... Evaluated by WES in Food Science And Technology
August 2017
The Oke Ogun Polythenic, Nigeria

Associate Degree... Evaluated by WES in Food Science and Technology
December 2014
The Polytechnic Of Ibadan, Nigeria

CERTIFICATIONS

- Nigerian Institute of Food Science and Technology (NIFST)
- Work Smarter, Not Harder: Time Management for Personal & Professional Productivity. Issued by University of California, Irvine-Coursera, Completed: March 2021.
- Project Management: The Basics for Success... Issued by University of California, Irvine-Coursera, Completed: March 2021.
- Initiating and Planning Projects... Issued by University of California, Irvine-Coursera, Completed: March 2021.
